

Casey Critter Craft

Make Your Own Carlos Aligator Tail

What you'll need

- Old stocking
- Green paint
- Newspaper for stuffing
- Coloured paper to make scales
- Pegs/ribbon to connect to clothing

How to make your alligator tail

1. Paint the stocking, allow to dry.
2. Stuff with newspaper until full, tie off the end.
3. Cut paper into shapes to resemble the scales on the alligator tail.
4. Use pegs or ribbon to connect your tail to your clothes!
