## Make Your Own Charlie the Bee

### What you'll need

- Paper plate
- Yellow cellophane or coloured paper
- Round circle for head
- Black coloured paper for body stripes
- Pipe cleaners for antenna
- Googly eyes
- Glue

### How to make your Charlie

1. Turn plate upside down, glue yellow paper to the body.
2. Stick circle decal on side of plate to make a head.
3. Attach or draw eyes onto the head and draw a smile.
4. Stick paper strips across the body.
5. Use an additional black paper strip as the 'bumble bee' stinger.
6. Curl pipe cleaners and attach to the head to make the antennae.
