## Make Your Own Cindy the Critter

### What you'll need

- Coloured paper
- Pom pom craft balls
- Glue stick
- Hole puncher
- Googly eyes (or can draw on)

### How to make your Cindy

1. Cut your paper into any shape you like. (We liked a flower or leaf shape)
2. Decorate your shape with textas and use the hole puncher to place holes to look like the critter has "eaten" some
3. Glue the pom pom balls in a straight line down the centre of the paper.
4. Attach or draw the eyes on.

Your critter is complete!
