Make Your Own Clara the Ladybug

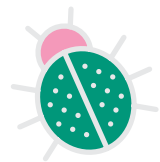

What you'll need

- Stone, egg carton, or polystyrene shape or equivalent
- Black texta
- Antennas (we used pipe cleaners)
- Red paint or texta
- Googly eyes or equivalent

How to make your Clara

1. Paint or colour the body.
2. Using a texta or black paint, dot on the body to make spots.
3. Stick the eyes or draw on if you don't have.
4. Use the pipe cleaner or equivalent on top of the head as antennas.
