

Casey Critter Craft

Make Your Own Claude the Owl

What you'll need

- Paper cup
- Paint (We used blue. Use coloured paper as an alternative or just colour the cup)
- Paper/cardboard to make a beak
- Googly eyes (or can draw them if you don't have them)
- Feathers

How to make your Claude

1. Paint the cup, place aside to dry.
2. Attach the eyes and beak to the front of the cup.
3. Draw any decorations you would like on your owl.
4. Ask a grown up to help place little slits on the side of the cup to insert the feathers.

Your owl is complete!
